

LISTING OF BATCHELOR FOLDED MAPS AND MAPS IN COVERS

This listing is organised by the following sections:

England & Wales
Scotland
Great Britain (including New Popular, Seventh Series)
Ephemera
Channel Islands
Northern Ireland
Ireland
Rest of World

Each map has a lot number in bold. Lists of individual sheets within a series begin with the series title against which there is no lot number.

Lots 73 and 541 are multiple maps sold as a single lot either at the request of the seller or to maintain the integrity of a set of plates within a publication.

Condition: maps in very good condition (VGC) are noted. Others are in conditions which reflect their age and usage, however significant issues (tears to folds, covers detached, foxing etc) are described.

Highest tender received by **23.59 Saturday 28th January** will secure the item.

Minimum tender £2 to cover postage and packing for single maps, £1 extra for subsequent maps (i.e. £3 for two, £4 for three).

Successful bidders will be informed and appraised of payment method and postage and packing for larger consignments.

Ephemera

686 Ordnance Survey of England and Wales, Popular Edition District Map *Forest of Bowland* used as an OS bookshop advertisement. Cover pasted to NW panel (otherwise Morecambe Bay) and

'Ordnance Survey map, One inch to One mile, 3/- on cloth' printed in very large red letters on the map face. Condition: 'Shop soiled' but rare survivor.

- 687** PosterJet [large format colour copying system], Harvey's, The Walker's Map, *Snowdonia West 1:40,000*. No date but pre-1995 as phone number is missing initial '1'. Produced by The Orbit Centre, Swindon as an example of what could be achieved with this system. Seems to have held its colour quite well. Small tears to all margins but not into map detail.
