If more than one lot is bought, and we can combine them in a single parcel, any saving in carriage charges will be passed to the customer.

Where individual maps are listed, the Hellyer number from *Map Cover Art* is given if possible, e.g. H 96.5. See final item of this list.

Where individual maps are offered, members can pick and mix between sections, as long as the minimum order is £15.

Map series have an Hi number given from Roger Hellyer's *Ordnance Survey small-scale maps : indexes 1801-1998*, where full details of which sheets were issued can be found. See end of this list.

SOVIET MILITARY TOWN PLANS of ENGLAND and SCOTLAND : 1:10,000

About six inches to one mile.

High quality, very detailed, fully coloured town plans, often bearing the inscription SECRET.

Railways, industrial sites and key public buildings are shown in detail and are highlighted by the clarity of the cartography and use of up to ten colours. The standard detail expected on any town plan is present, with Cyrillic script used throughout.

Sheet sizes vary but are frequently larger than 30" by 40", though some are smaller. The date given is that of publication or reprint.

All prices include postage.
