Bids are invited for the following lots.

### PRELIMINARY NOTES

1. Bids are the amount you will pay if successful (like a tender). Doing it otherwise is too difficult when bidding on certain items may be sparse.
2. P&P is to be paid by the bidder. A book typically costs £2.85; there is a big jump at the 2kg point. Collection by arrangement from Harmston, at the AGM, or at Cambridge, is free.
3. Items where bids fall short of the sum that the Committee believes can be obtained by an alternative route may be withdrawn from the sale.
4. Bids must be received by **31 July 2017** at the latest.
